

Women in Science and Engineering

December 3, 2012

Dear WISE Supporter:

On behalf of the Women in Science and Engineering (WISE) program at Stony Brook University, we would like to sincerely thank you for your continued support of our program. We are very excited to announce that we are planning the *Seventh Annual WISE Banquet, Celebrating Future Alumnae*. The WISE Banquet is a memorable evening honoring the WISE graduates, alumni, and outstanding supporters of the program. The event serves as a networking experience as well as a wonderful evening of dinner and dancing. The banquet would not be the same without the presence of our supporters from the university as well as industry.

The event will be held at Windows on the Lake, in Lake Ronkonkoma on Thursday, *April 25th, 2013 at 7:30pm*. The theme this year is the "WISE Garden", which promises to be colorful and creative. Your organization can support WISE through the purchase of tickets, available for \$60 per person, or a *table (for ten guests) available for \$700* which will include a full page advertisement in our program. Also, with a donation of \$1600, your organization will receive a special recognition for your outstanding support, including recognition at the dinner, a full page advertisement in our program and a table.

Checks may be made payable to **Stony Brook Foundation**. (Memo: **WISE Banquet Account #221080**).

Please respond by March 15, 2013. Last year, tickets for the banquet sold out, and so if you are interested in attending we request that you reserve your spot as soon as possible.

Thank you once again and we hope you will support and join us this year.

Sincerely,

Ashley Guadalupe
WISE Banquet Chair
